Engineered Solutions for Flow Control

Ball Valves
Backflow Preventers

Automatic Control Valves

Pneumatic Valve Actuation
Fail Safe Actuators

Packaged Engineered Systems
Water Boosters, Wet Wells, Controls

Strainers

Solutions for a world in motion

Electric Actuators
Manual Gears

Packaged Pump Stations,
Water Management Solutions

Highly Engineered Axial Flow Valves

Dismantling Joints, Alpha,
Flanged Couplings

Air Valves, Ball Valves, Butterfly Valves
Check Valves, Foot Valves, Plug Valves
Double Offset Butterfly Valves

Hydro-Pneumatic Tanks
Surge Vessels

Knife Gate Valves, Fixed Cone Valves
Jet Flow Valves

Electronic Valve Actuators
Programmable Valve Controllers

Sluice/Slide Gates, Weir Gates,
Overshot Gates & Stop Logs
